✓ Included with profile

✓\$ Features and applications that can be added a la carte (individually) for an additional cost

n/a Not Available with profile (cannot be added for an additional cost)

n/a\* Not Available with profile, but is in development for future availability at an additional cost

<sup>1</sup> On-Demand and Always-On Call Recording cannot co-exist for the same user (must select one type)

<sup>2</sup> For users who do not have the Archiving feature, Mitel provides access to IM's for 18 months, audio and web conference recordings for 3 months, and call recordings for 1 year. Elite profile users need to open a Support Case to activate the Archiving feature.

<sup>3</sup> Connect CLOUD Contact Center is purchased separately. Connect CLOUD Fax is also purchased separately per Fax Number and is not dependent on any type of profile.

**Note:** Not all product features may be available at the time of product introduction. Mitel is under no legal obligation to deliver any future products, features, or functionality within any specified timeframe. This information was last updated on February 26, 2018.
